National Youth Leadership Training

National Youth Leadership Training is an exciting, action-packed program designed for councils to provide youth members with leadership skills and experience they can use in their home troops and in other situations demanding leadership of self and others. The NYLT course centers around the concepts of what a leader must BE, what they must KNOW, and what they must DO. The key elements are then taught with a clear focus on HOW TO. The skills come alive during the week as the patrol goes on a Quest for the Meaning of Leadership.

This year's course is July 30 - August 4, 2023
